## Upcoming Concert

I wanted to use my column this week to highlight an upcoming concert featuring MJM7. MJM7 is a Catholic family band comprised of Michael James Mette and his children: Charity (16), Cecilia (15) and MJ (13).

They have played concerts before at St. Bernadette, and will be returning there on Tuesday, July 16th. This will be an outdoor concert (weather permitting), beginning at 7 pm. I am excited that the Mettes will be returning as I have personally enjoyed their shows in the past, as well as my interactions and conversations with them. It is often said, "The family that prays together, stays together." The Mette family is definitely one that prays together, including through their music. Those who attend one of their shows are privileged to join in that prayer, and simply enjoy good music.

The Mette's gifts of music, joy, and family life offer a boldness and innocence of youth with the wisdom and depth of lived experiences. The events fall somewhere between a rock concert and a parish mission, with vibrant lights, powerful music, faith sharing, and an invitation to prayer. The music is uplifting without being preachy, creating an environment that is engaging without being confrontational. The concert empowers all ages to pray more fully and worship more freely.

Please plan on attending this wonderful event. And bring a friend! The concert will be free, but there will be a free-will offering taken to support the Mette family and their mission of bring Jesus to others through their music.

## St. Junipero Serra

Feast Day: July 1st

St. Junipero Serra was a Spanish-born Franciscan missionary. After spending several years as a professor of philosophy in Spain, he forewent a prestigious academic career and followed his true desire to serve as a missionary priest in the New World. Relentless in his goal to spread the Gospel, Fr. Junipero founded nine missions in modern-day California, including well-known places like San Diego, San Francisco, and Ventura.

He died in 1784 after 14 years of missionary work, having baptized 6,000 native peoples. He was beatified by Pope St. John Paul II in 1988 and canonized by Pope Francis in 2015, the first canonization to take place in the United States. He is the patron saint of California.

The Hiding Place by Corrie Ten Boom

The Hiding Place is a memoir by Corrie ten Boom which details her experiences during World War II in Haarlem, Holland during the Nazi occupation. The ten Boom family, who are devout Christians, bravely defy the Nazi conquerors by hiding Jews in a secret room in their home. The ten Booms embrace an unshakeable belief in the sanctity of human life and quietly fight back against the evil regime that threatens the world. It is a story of courage, faith, and the power of forgiveness.

### St. Vincent de Paul: Hope in Action

In today's Gospel we see how in faith, Jarius asked Jesus to heal his daughter and how Jesus then answered his prayer.

In prayer we also come to know that we

are loved by God, and in that trust we ask for healing for ourselves, our loved ones and all those who are suffering.

This week, please join with the Society of St. Vincent de Paul in praying for the healing of all those who are ill and especially those who have no one to pray for them.
